All apprentices as approved by Bureau of Apprenticeship and Training			

The wage rates as set forth by the Committee are the minimum and shall not prevent the Contractor or Sub-Contractor from paying a higher rate of wage.

The wage rates are established on the date signed, however, if the project is not awarded within 180 days a new updated wage rate shall be required.

Stipulation as to the employment of apprentices: Apprentices will be permitted to work at less than the predetermined rate for the classification of work they perform when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Bureau of Apprenticeship and Training. Their wage rate will be their individual warranted percentage of the herein-listed skilled classification prevailing wage rate. Apprentices shall be permitted to work only as the ratio to journeymen in the apprenticeship program standards state.
